## **PRINCE EDWARD ISLAND SCHOOL ATHLETIC ASSOCIATION**

### **School Sport Coordinator Report 2009-2010**

Report to the 49<sup>th</sup> Annual Meeting - Prince Edward Island School Athletic Association.

Here we are one year later . . . there have been reviews and reports; the learning curve has been intense. It has been an interesting year of process and transition for the Organization. While there has been some change, it has largely been business as usual, School Sport has continued on through the support of the membership and volunteers.

The concerns, which were identified of the organization through the ACA Report, have been addressed. These included accountability, authority, structure, and vision. Through the leadership of Walter MacEwen, Counsel Nichola Hewitt, and the contribution of an SAA governance committee; a Minister's Directive was drafted. Subsequently, the PEISAA has become a legal entity, the "name" has been registered, and a Rules-Guidelines-Policies document restructured. The PEISAA has the authority to administer School Sport in the province.

Highlights of the year included;

- The release of a School Coach Module; a joint project of the Coaching Association of Canada and the Canadian School Sport Federation, which will address coaching certification.
- A new era in Track & Field with the move to Alumni Canada Games Place.
- Flag Football garnered sport status and witnessed the presentation of SAA football awards for the first time in 30-years.
- Utilized the great venue; the Slemon Park Canada Games Facility for two Championships.
- Established a Media-Publicity commissioner role to raise the awareness and profile of School Sport.
- Publication of a PEISAA Newsletter, which is published three times per year.

Challenges or projects that are on the horizon for the Executive and Organization;

- A celebration of the organization in 2011 as the PEISAA reaches the milestone of its 50<sup>th</sup> Anniversary.
- Planning – establishing a vision for the organization both short and long term.
- Sponsorship – is a sensitive issue, which may need to be addressed.

My sincere appreciation, gratitude, and thanks to;

The Executive for the work and support through some difficult issues this past year.

Walter MacEwen for his leadership with the governance committee and mentorship.

Mary Sherry for her administrative support and diligence in preparing the Annual Report.

Glenn Edison, Laura Lee Noonan, and Kathy McDonald for their continued support.

Susan Willis, Leisa Nogler, and Garth Campbell for their passion and valuable contributions to School Sport.

I would like to recognize the Coaches, Physical Educators, Athletic Directors, and Commissioners for the leadership which you provide. Each of you has a significant and positive impact on the students which you lead. Thanks to your efforts, School Sport will continue to be a major contributing factor to the education of students in the Province.

Have a Great Summer!

Respectfully Submitted,

Rick MacKinnon

## **PRINCE EDWARD ISLAND SCHOOL ATHLETIC ASSOCIATION**

### **President's Report**

June concludes another school year. School sport has again flourished in 2009-10. Island students and coaches have invested thousands of hours to the development of skill, fitness, and character. As an organization, we continue to meet and/or exceed our goals year after year.

The PEI School Athletic Association has worked through a year of transition. From the user end, this transition was seamless due largely to the work of Rick MacKinnon and Walter MacEwen. We are now a viable government entity with a legal framework that now replaces our constitution.

This year also marked the continued growth of school athletics including the introduction of Flag Football to our athletic calendar, as well as the incorporation of a new media commissioner position. Another advancement included several zone track meets and the provincial championship meet being staged at Alumni Canada Games Place track facility at UPEI. Our thanks to Ron Annear and Mike Redmond for allowing us to begin a new era in PEISAA track and field. The provincial badminton tournaments were held this year, for the first time, at facilities in Slemon Park, Summerside.

On behalf of the PEISAA, I would like to thank all tournament managers. This year the SAA staged 88 provincial championships in 14 different sports hosting thousands of athletes. No small accomplishment for a largely volunteer group. I would also like to take this opportunity to commend our volunteer coaches, athletic directors, and school administrators. They are the backbone of our programs and cultivate the school sport experience for our student-athletes.

To the PEISAA Executive, thank you for your commitment and insight. Special thanks to Zone-3 Rep Leisa Nogler and to Principal's Rep Susan Willis for their valuable contribution, as they conclude their terms this year.

In closing, I have enjoyed my brief period as interim President of an association that provides so much for so many Island students. I look forward to seeing the organization continue to succeed with the ongoing support of our many committed volunteers.

Respectfully submitted,

Randy Cheverie

## OFFICIALS' COMMISSIONER REPORT

The PEISAA continues to enjoy an excellent working relationship with various Officials' Association within the province. The Associations work together for the betterment of school sports and the athletes.

Many associations and School Athletic Departments continue to work hard at recruiting young new Officials. This can be a very time consuming task, but it is essential and very healthy for all sports. Each year we have many student/athlete graduates from High School who would make wonderful candidates as new Officials. We need to continue to encourage them to consider this option. Some sports that seem to posing issues when it comes to having enough Officials are Wrestling, Soccer and Softball. But there have been some efforts in this are. Soccer P.E.I. seems to be offering more clinics over the past few years.

Highlights this past year from the Officials' perspective included:

- growth in several of our Officials' associations
- Holland College has added an Officiating component to their Sport and Leisure Management Program
- with the new Track and Field Facilities at UPEI we have developed a pool of Officials to operate the new Technology the facility has to offer. The PEISAA would like to thank all the volunteers who took the time to learn this new Technology and then volunteer their time at the Provincial Track Meet, June 5<sup>th</sup>.

A new concept the PEISAA has been considering is a cost share system between the schools for the travel fees of our officials. The executive will be exploring this option and be looking to the membership for their thoughts.

One area of concern, we continue to see are some negative behaviors directed at Officials during competition by coaches and spectators. We need to continue to promote fair play and sportsmanship in our schools. Our Officials deserve to be treated with respect and if we want to encourage new recruits we need to ensure they are appreciated.

My sincere thanks to all individuals who officiated over the past year.

Congratulations to the 2010 PEISAA Official of the Year Recipient.

Respectfully,

Rob Connell

### 1. Sport Participation Numbers

	<i>Male</i>	<i>Female</i>
Senior "A"	110	150
Senior "AAA"	100	120

### 2. Provincial Championship Sites and Meet Managers

All games were split between Cornwall Turf fields, UPEI and Simmons. Walter MacEwen, Rick MacKinnon and myself were at each venue game to make sure games went well.

### 3. Provincial Champions

<b>Classification</b>	<b>School</b>	<b>Coach(es)</b>

Senior "AAA" Men	Ch'Town Rural	Peter Wolters
Senior "A" Women	Morell	Wendy MacLaren
Senior "A" Men	Morell	Ryan Laughlin

### 4. 2009 SEASON IN REVIEW

The senior soccer league concluded on October 31<sup>st</sup> with the Provincial championships being hosted at UPEI and Cornwall Turf fields. Thanks for the help with hosting these events goes out to Walter MacEwen and Rick MacKinnon.

This year we had 25 teams participating at the senior "A" and "AAA" level with approximately 500 student athletes participating. Overall, I believe the league went well. There were many close, exciting games. This is a good time to recognize the contribution made by school administration, volunteer coaches and the players who work so hard to entertain us. Again, without the help of the PEISAA, especially Walter MacEwen and Rick MacKinnon. Thanks, guys.

A big thanks also goes to Andrew MacSwain, Richard Petipas, and the Souris High for assigning referees for the season.

Again this year, Paperflow has provided support as the school soccer sponsor. Thanks to Sam Jeyes for his continued support.

### 5. RECOMMENDATIONS FOR 2010 SEASON

1. The season is short, however, there should be no reason for teams like

Charlottetown Rural and Col. Gray to be playing 4 point games against each other. Other scenarios had 4 point games between teams that have less than 30-40 minute travel times. To make the league more credible, I believe fewer 4 point games and more 2 point games be played.

2. Another recommendation I have is there cannot be any league games scheduled or rescheduled for the Friday before the Monday play-off games. This was, I'm sure a nightmare for those booking buses for Monday's games. We, as an organization, and well educated people can figure out how to get our games in before this time to allow for scheduling to happen before students leave on Friday.
3. As with most sports, having game sheets sent in the next school day is important, but not being done.

## 6. LEAGUE AND PLAYOFF STANDINGS AND STATISTICS

### *AAA Female Standings*

Order	Team	W	L	T	GF	GA	Pts.	# of 4 pt. wins	# 4 pt. ties

Midget Girls A	Souris	
Midget Boys AA	Stonepark	
Midget Boys A	Hernewood	

### 4. GENERAL COMMENTS

The midget A and AA soccer leagues wrapped up on Nov 2<sup>nd</sup> this year. The last week of the season finally had some dry weather which led to some close exciting games. Thank you to the host schools and complexes along with the PEISAA for making the championships a success.

The Western soccer league comprised of 18 Jr. High teams, eight boys and ten girls. The league was made up of both A and AA schools and had approximately 290 students taking part.

I would like to say thank you to all school administrators, coaches, players and officials for helping to make my job enjoyable and easy. A big thank you to Richard Pettipas for assigning officials, Garth Campbell for some wise advice and Rick MacKinnon and the SAA executive for their leadership.

### 5. RECOMMENDATIONS

- A) Game reporting  
All schools should continue to follow the reporting guidelines set down by the SAA.
  - 1) Each home team is responsible for putting the results online following the game.
  - 2) All game sheets to be faxed to the commissioner the next school day.

- B) Fields  
All fields are to be maintained and in good playing condition. We may have to

look at a couple of fields to make sure some upgrades are done for next season.  
Grass, nets and lines should be checked on a regular basis.

C) Playoffs

Dividing the teams for A and AA playoffs is a great idea and should be continued.

### 4. GENERAL COMMENTS

The majority of schools were reliable and punctual for reporting match results on-line and by fax. Thank you for your co-operation and professionalism.

The website continued to facilitate score keeping and scheduling, etc., although we all realize that there is room for improvement, the website is a definite asset and I look forward to seeing more changes and comprehensive pages next season – Great job and congratulations to our web technicians!

Compared to last season, where some schools needed to be reminded of the rule concerning changing and exposing bare skin on the court between warm-up and game time, this was not an issue this season. Thank you to all whom helped reinforce this rule in all of our Island gyms.

Thank you to officials for their work this season. A reminder to please help train score keepers and have officials verify and ensure that all information is documented on official score sheets, including date, competition (A, AA, women or men), school names, etc. which facilitate the commissioner's job immensely in keeping accurate statistics. Officials need to make it a priority to complete the entire score sheet before they sign off; ask coaches/ captains/ ADs to quickly go over score sheets and fill in any missing blanks before leaving – thank you for your co-operation!

Thank you to our major corporate partners; PEI School Milk Foundation, RBC Financial, Subway, Comfort Inn. U.P.E.I., and Holland College without whom, it would be very

difficult to provide such a rich sport program to PEI's high school athletes.

Thank you to all PEISAA executive members, athletic directors, volunteers, coaches, parents, school staff, bus drivers, student councils, leadership classes, and everyone else involved who so generously devote their time and energy to help and support and enhance our school sports and ultimately the young developing athletes' overall experiences.

A special mention to PEISAA's School Athletics Coordinator Rick MacKinnon. All your time and energy and hard work are all very much appreciated. We recognize that your responsibilities are very extensive and most of it is done without any recognition. Congratulations for all that you have accomplished thus far! Rick, you are very much appreciated.

## 5. RECOMMENDATIONS

More training clinics for officials and better communication to ensure consistent level of officiating throughout the season, appropriate to the level of each league division, to support and encourage the development of good ball-handling techniques by young players (so that they do not develop bad habits).

During the Championships, there needs to be only one main entrance and if people try to enter from another door, a guard needs to be present to redirect them to the main entrance. The main entrance needs to be manned prior to the warm-up of the first match and for the entire duration of the Provincial tournament. Volunteers at these tables need to exert a high level of leadership so that they are not shy or afraid to ask people to pay the entrance fee. The entrance fee helps in paying for officials, etc.

Despite high transportation costs and busy schedules, it would be ideal to play 2 pt matches only, instead of some 4 pt matches. Heightened pressure and stress are a result for these young athletes and coaches, and especially when the match is tight, the second 2 pt match would be better to really accurately illustrate the teams' performances. 4 pt matches should be avoided, especially at the beginning of the season. The season is already very short, 4 pt matches lowers the young athletes' floor time, and allows them less time to play!

### 4. GENERAL COMMENTS

I would like to thank all coaches and officials. We had another great year and the cooperation and effort from everyone was excellent.

A big thanks to Denise Boulter and Glenn Campbell (M.E. Callaghan - AA Boys), Lincoln Rix (Hernewood - AA Girls) and Velma Durant (Evangeline - A Girls) for hosting the zone championships. A great job done by Trevor Bridges and Rob Connell in Summerside in hosting the Provincial Girls A Championships. Thanks to Jeff Hirtle for doing a great job with the officials. It was nice not to have to worry about that end of the competition.

A great year in reporting results. It is still important that results are reported to the website as soon as matches are completed.

This is the fifth year for the girls A league and it was very successful. It is hoped that a boys A league will be implemented next year.

A final congratulations to Summerside (AA Boys) for winning the provincial title. Summerside (AA Girls) and Miscouche (AA Boys) captured the silver and Summerside (A Girls) took the bronze. Kensington (AA Girls) and M.E. Callaghan (A Girls) finished fourth.

### 5. RECOMMENDATIONS FOR IMPROVING SPORT

Having qualified linespeople for AA provincials was a big step in assuring that major decisions are not made by junior high students.

I would like to see a provincial quarter-final system instituted. We sometimes do not have our best teams in the provincial championships. I propose that the week before the PEISAA Championships that the second place teams in the east and west host the third place teams in each league. The two first place teams would get a bye to the provincial championships. This would add more importance to the zone championships. After playing the zone semi-finals, the winners would play with the winner of the final going to the provincials and the loser having to play a provincial quarter-final. The two zone semi-final losers would then play with the winner of the match getting another chance by playing the other league's second place team.

I think all uniforms should have number on the front as well as the back. It is a huge advantage to teams with no front numbers as the opposition will have a difficulty identifying setters, blockers, etc.

Despite what Volleyball Canada proposes, I believe the PEISAA should stay the course with the libero being allowed at all levels and the 12-sub rule being also used at all levels. I also believe we should continue with allowing the over-hand contact on serve reception provided it is done cleanly.

Sometime in the 2009-2010 school years, coaches should get together to discuss recommendations from all volleyball commissioners with the purpose of getting ready for the 2010-11 season.

### 4. GENERAL COMMENTS

In the 2009 Midget East Volleyball season, there was only one change in the amount of teams in the 3 leagues, the Birchwood Boys team dropped out. There was still a slight imbalance in the strength of the AA teams but everyone still played to the best of their ability. There were no team ties for place standings.

I would like to thank the Athletic Director's for all their work with the scheduling of matches this year, especially in light of the new travel arrangements that need to be made. And the rescheduling of matches due to the H1N1virus and other issues.

Again, if it was not for the volunteer coaches and assistant coaches our league would not exist. So I thank each and everyone of you for donating your time and expertise to these students.

Thank you to the host committee of East Wiltshire for putting on another great provincial championship.

There were approximately 50 boys and approximately 110 girls participating in my 3 team league. Again the full court experience works much better than 2 matches going on at the same time.

### 5. RECOMMENDATION

The only recommendation I would like to make, as suggested to me by a coach, would be to have 4<sup>th</sup> place girls play the 5<sup>th</sup> place girls in my Girls A league as this is a fairly close league and anyone could win on a given day

### 4. GENERAL COMMENTS

The Pre Novice - Midget Cross Country season ended with the 2009 Source for Sports Provincial Cross Country Championship at Mill River Provincial Park on Saturday, October 24<sup>th</sup>. The championship was hosted by the Westile family of schools. The weather cooperated and conditions were just right for running. A total of 653 runners ran the 4 competitive courses. This is a decrease 50 runners from last year. We also had the Juvenile - Senior season end their Provincial Championship at Charlottetown Rural High School, Thursday, October 22<sup>nd</sup>. The championship was hosted by Mike Lloyd and his leadership students. A total of 123 runners ran the 2 competitive courses.

The overall PEISAA Provincial Championship total was 776 runners. This was a decrease of 65

A total of 203 registered athletes did not show up for the Mill River race. This was an increase of 41

This year, schools had to register before receiving their competitive numbers. Overall, schools are making efforts to have their students supervised at the site. The course was very spectator friendly. The last 1 km in many races could be seen by coaches and parents. This was very well appreciated by the coaches and spectators. The schedule had the Midget and Bantam categories compete first in the morning and the Novice and Pre Novice categories competed in the afternoon. All started on time and finished on time.

The morning parking was directed to the Hernewood Intermediate parking lot. Everything went well. Presentation of awards was done after each race. A big thank you to Rick MacKinnon, and Jason Cormier for helping with the presentation of awards. MLA Pat Murphy, Honorable Neil LeClair and Paul Dalton were on hand to help give out the awards.

The pre-competition media coverage was poor. The post event coverage was great. Journal and the Guardian had great articles along with the results.

Running a successful Provincial meet doesn't happen unless you have great help. Congratulations to Denise Boulter and her Leadership students from ME Callaghan Jr. High School. The success of our championship is directly related to the responsible work done by these students and their teacher.

Also a big thank you all the volunteers from each school in our Unit and Evangeline who did a fantastic job helping with the running of events on Saturday.

We made an extra effort to make visible the "Source for Sports Logo" at the competition site. Banners were placed at different spots on the course. We also had for the third year, a result board, with the Source and SAA logo. This was well appreciated by coaches, athletes and parents. Competitor numbers also had the Source for Sport logo. Next year we could try to put the Source logo on the finish cards.

We also gave out PEISAA participation certificates to all to the pre novice and novice categories. Next year we will pass them out to the other older categories. These were well appreciated by all coaches.

We also had most of our major sponsor banners put up at many visible spots all over the course.

The Juvenile and Senior Championship was also a great success. A big thank you Mike Lloyd and all his volunteer's for a job well done. A total of 123 senior and juvenile

runners ran the course at Charlottetown Rural. We were down by 15 from last year. Mike was very pleased with the races and the quality of the 3.5 km and 4.0 km courses. Great day.

The success of both competitions wouldn't be possible without the help of so many teachers. Thank you to all the schools and coaches that make a real effort in sending us accurate registration numbers. Thanks to Lisa Naugle, Freddy Martin and Gloria Whalen for making sure all zone managers receive the proper provincial information. This was another great year for having all results in on time with no complications. There was very little change and all unit results were clear. Also, a big thank you to all the unit managers and volunteers for their efforts and commitment to making our SAA provincial a great success.

Special thanks for the PEI School Milk foundation for their continued support and for providing chocolate milk for all the competitors, Dwayne MacNeill of Source for Sports for his involvement in our cross country event, Derek Dymont from Parks PEI and their staff for their help during this event.

A word of thanks goes out to Brian Allain, our official scorer, who puts in countless hours preparing competition numbers and registering all the participants in the computer system which gives us accurate results. Also, we cannot forget Rick MacKinnon at his first Cross Country Provincial for his support, encouragement and vote of confidence for allowing us to host this event.

It is a real honor to host this event. Thank you all.

## **5. RECOMMENDATIONS FOR IMPROVING THE SPORT**

That we keep the Seniors and Juveniles at Charlottetown Rural next year.

### 4. GENERAL COMMENTS

Montague High School Tournament was held this year, again very successful.  
Charlottetown Rural's Tournament was held with the four Island teams participating.

### 5. RECOMMENDATIONS FOR IMPROVING SPORT

#### A) SCHEDULING

A Triple Round Robin for the midget league appears to be the right number of games. The first round- robin of games is in the format of a tournament and is held at the beginning of the midget season. Therefore the midget teams will only travel for three away games for the rest of their season. The Sr. High School league is a Triple Round Robin. The high school teams had a big problem with transportation again this season, I am sure it was a problem for the whole PEISSA Fall Season. To help with scheduling, four league games were played at the first of Rural's and Montague's tournaments. Also being able to play on the Turf with lights might help out with transportation as teams can play later games under the lights and even some double headers with teams. All four teams would like to host a tournament next season, that being the case, more league games could be played at the start of each tournament. (Full time of 35/35 to be played).

#### B) PROVINCIAL CHAMPIONSHIPS

Midget Provincial Championship was held on the Cornwall Turf field on Thursday, Oct 29th and Senior High School Championship was held at UPEI Turf field on Wednesday, Oct 28. The reason for this was that the UPEI Field Hockey Team was attending the OUA Championships in London, Ontario on PEISAA Provincial Championship week-end. This

change in schedule was made so the commissioner, Barb Carmichael, coaches- Carolyn MacLeod and Mikaela Ellis from Rural and a number of umpires –would be able to attend the Provincial Field Hockey Championships. At the All Star meeting all High School coaches are in favor of finals on Wednesday and semi-finals on Monday as long as the Convention is not problem for practice the week before. Scheduling of the Cornwall and UPEI turf fields was a very big problem for the championship games. I am sure these tournaments will be schedule on the proper days for 2010.

C) OFFICIALS

Ten officials umpired this season. University players were : Hilary Buckley, Lydia Ellis, Mikaela Ellis, Taylore Matheson, Lacey MacLauchlan, and Amy Rawlinson. We hope we can keep the university girls umpiring and still add a few more to the list for the Summerside and Montague areas. Thanks to: Krista Hickey in the Summerside area, Ann Marie Ryan, and Charla Currie in the Charlottetown and Cornwall areas There is a need for umpires in the Montague area. An Umpire clinic will take place by September 2010.

D) COACHES:

This school season we had seventeen coaches working with the eight teams. Seven of the seventeen coaches were first or second year coaches. It is hoped that during the off-season a NCCP Level 1 Technical Field Hockey Course will be held.

F) PROVINCIAL OFFICE:

Commutation by E-mails to Provincial Office works well.

G) ATHLETES

The midget players have greatly improved their skills and this is due to playing on the turf fields for the last three years. This is now carried over to the high school program as more games are being played on turf and younger players are now in high school. Fans are finally able to enjoy the game....as there are fewer whistles and the game is much faster.

H) MEDIA

I) GENERAL

The All Star meeting was held Friday, Oct 16th of Teachers' Convention- at 7:30am. The coaches thought this was a great idea since coaches (that are teachers) are in Charlottetown attending the convention. Also, having the All Star meeting before Provincials, means we can hand out certificates at the Provincial Championships.

The commissioner should be present at the All-Star meeting as this is a good time to discuss concerns. Example: The senior high schools would like to play more of their league games on the turf. Hopefully with Three Oaks new turf field their games will be played on turf in 2010. The two high school semi-finals were played on the Cornwall Turf and the championships games on the UPEI Turf. High school coaches requested to have semi-finals on turf.

In 2007 East Wiltshire Junior High School moved their home games to Cornwall Turf Field, as did Stonepark Junior High. Stonepark moved their home games to UPEI Turf Field. This move to turf fields has greatly improved **playing conditions** which in turn improved their play. Junior High schools had 15 of their 22 games on turf. With the opening of the turf field in Summerside for 2010...midget will play only 3 or 4 games on grass. High Schools had 12 of their 22 games on turf. Hopefully with the opening of Summerside's New Turf Field there will only be a few games played on grass.

\* MUST PLAY AS MANY GAMES AS POSSIBLE ON TURF FIELDS- as this greatly improves the game.

I would like to thank the Town of Cornwall for purchasing a new set of field hockey goals. The new goals were great and a thank you note will be sent to the Town of Cornwall. Without this new set of goals ..field hockey would not have taken place this season at Cornwall.

## 5 FOR IMPROVEMENTS FOR 2010 SEASON

1. Wheels for the set of goals for the Cornwall Turf and set of goals for Summerside Turf
2. Transportation problems eliminated.
3. More games on turf.
4. Rural's tournament rescheduled.
5. Umpire clinic.
6. Technical clinic for new coaches.

### 4. GENERAL COMMENTS

The 2009-10 Senior High golf season experienced a drop in participation as the reality of travel issues resulted in many schools reducing the number of students involved in golf. This , unfortunate situation, needs to be addressed if golf is to maintain its historical trend of increasing participation each after year. 10 high schools were involved in the qualifying tournaments with 7 moving on to the Provincials hosted at Brudenell. Qualifying tournaments were held at Avondale, Summerside, Mill River, Fox Meadow, and Green Gables. A schedule was sent out to all schools prior to the season and schools were asked to indicate which tournaments they would participate in 1 week prior to each tournament.

The championship qualification format used in 2008-09 was used again this year and resulted in 33 men and 3 women being involved in the championship. The championship was hosted at Brudenell River and the facility was again provided free of charge. Mark Derry and his staff must be thanked for their willingness to help facilitate the championship.

Thanks to all the coaches for the time they put into this year's golf season as well as Paul Steele at the PEISAA office. Thanks to Paul Murnaghan and the Holland College golf administration program for helping to facilitate the senior golf championship. There involvement has really increased the PEISAA's ability to host a good tournament for the students .

## 5. RECOMMENDATIONS

Maintain the administration of the tournaments with the golf commissioner.

Maintain the championship qualification format, but increase the female qualifications to two tournaments.

Issue the qualification tournament schedule in June, giving schools lots of notice in planning for the following year.

Continue to encourage the Holland College 1<sup>st</sup> year golf administration class to help facilitate the championship.

Move the Championship date back one week, though this will shorten the season, it will provide the opportunity to play on a course that, potentially, has not under gone fall maintenance and may result in better weather.

Investigate a format change that would recognize that some AA schools are not competitive within the AA qualification and need to be moved to the A level. Similar solutions have been found for basketball and rugby.

### 4. GENERAL COMMENTS

The season began with the "scheduling meeting" in mid- November, 2009. This was held at Ch'town Rural High School. In attendance were the Athletic Directors, Rick MacKinnon, Walter MacEwen, and myself. It was decided to stay with a seeding system. Teams were to play a minimum of ten(10) games against at least five(5) other teams. A three(3) division playoff would be held to determine provincial champions. If a school wanted to compete at a higher or lower level for Provincials, they must apply to the PEISAA by Feb.1. Athletic Directors put their schedules together and Rick and Walter had these put on the PEISAA website.

The Leagues commenced on Nov.23 with fourteen(14) female teams and fourteen(14) male teams. Unfortunately, Kinkora's Mens team dropped out because of lack of committment from it's players. Kinkora's Women's team played out their scheduled games but were forced to miss the provincials for similar reasons. Well over 200 games were played with very little rescheduling needed because of weather.

A five(5) person seeding committee was formed. This included myself, Garth Turtle, Brett Wood, Rick MacKinnon, and Walter MacEwen. This group met four(4) times during the season..at the end of Dec., Jan., mid Feb., and the end of Feb. .

The regular season ended on Feb.25. The playoffs ran from March 1 to March 8 with a few changes due to school cancellations.

Final League rankings, playoff results, scoring stats, and Playoff All-stars are included later in this report.

The season concluded with the annual All-Star games. These were held at Charlottetown Rural on Wed., March 10 (AA) and Thur., March 11 (AAA).

## 5. RECOMMENDATIONS

As my fifth year as commissioner is now over and I reflect back on the season, it still amazes me how smoothly our league runs. I had no player incidents to deal with again this season. Certainly a reflection of the quality athletes, coaches, officials, etc...

- All officials...I never received a single complaint again this season.

- Athletic Directors.... communication was excellent, thanks to email.
- Charlottetown Rural (Mike Lloyd and Esther Hovingh)....for hosting the All-star games and the AA semi-finals.
- Colonel Gray (Chris Huggan) ...for hosting the Provincial "Senior-A" Tournament.
- Ron Annear, Janice Robertson and her UPEI staff... for their support at UPEI.
- Bluefield Leadership students for their assistance at UPEI.
- Milk Sport and Domino's Pizza... things wouldn't be the same without their support.

### 4. GENERAL COMMENTS

The 2010 school gymnastics season ended on Saturday, February 20th with the PEI School Athletic Association Provincial Gymnastics Championship at Kensington Intermediate Senior High School. The championship was hosted by St. Louis Elementary School.

West Royalty Elementary won the Pre Novice Boys team title. West Kent won the Pre Novice Girls and Novice Girls team titles. St. Louis Elementary won the Novice Boys and the Novice AA Girls team titles. The top five scores on each events were used to calculate the team standing. Individual awards were also given to the top six vault /floor routines and top ten all around. A total of 325 gymnasts participated at this years event. This was a increase of 47 gymnast.

On Saturday morning the competition started and finished on time. A total of 157 gymnasts participated with 90 Pre Novice girls and 67 Pre Novice boys. Increase of 25.

On Saturday afternoon, another big crowd watched 131 gymnasts perform in the Novice Boys, Novice Girls and Novice AA Girls categories. There were 51 Novice boys, 62 Novice girls and 18 Novice AA girls participating. In the third competition, we had a total of 37 gymnasts participate in Bantam Boys, Bantam Girls and Midget Girls categories.

All information and results were posted in the three local papers and two radio stations. Coverage before and after the provincial was very good.

In all, we had a total of 22 different schools from across PEI participate with a total of 325 gymnasts, a increase of 47. The weather was great for traveling. We had a total of 374 paid spectators. This was an increase of 92 paid spectators.

A total of 24 extra ribbons were ordered to deal with ties on vault , floor and all around awards.

Our computer program, which calculated the results, came through for us again. Within minutes of the end of both competitions, the results were handed out.

A new Novice AA Girls category was introduce as a trial this year. We had 18 females and two registered team.

A special thank you to Rick MacKinnon for helping me during the day.

I would like to thank Marybeth Rogers and, Principal George Aiken for all their help, support and for allowing us to use their fine facility to host our Provincial.

Freddy Matins, Rick MacKinnon and our special guest Hugh Smith were also on hand to give out awards. Hugh Smith, member of the RBC Royal Bank Olympian Program was on hand to watch the event and encouraged the youngsters to pursue their dream.

We can't forget PEI School milk Foundation for their continuous support and of course for the free chocolate milk for all the competitors. I also have to thank all the Unit managers for holding their zone competitions and sending me all the results and to you, the Phys. Ed. teachers for getting your athletes ready to compete. Great job!

## **5. RECOMMENDATIONS**

To use a 15 minute general warm up followed by a apparatus warm procedure up two compete one on vault and floor. This will eliminate the 30 minute warm up at the start of the competition.

Unless we use a better way of determining teams moving up to AA levels from each unit for provincials, I recommend that we not pursue the AA level next year.

### 4. GENERAL COMMENTS

The PEISAA/Black Knight provincial badminton championships were held on Friday April 23 and Saturday April 24, at the Canada Games Sports Center in Slemon Park and three Summerside and area schools.

Championship titles in novice, bantam, midget, juvenile and senior boys and girls categories were all up for grabs in singles, doubles and mixed play. Most of our Island schools were represented in zone playoffs, with the top two from four zones advancing to the provincials.

Dakota Cameron from Three Oaks was victorious in senior boys singles defeating Greg McGuire also from Three Oaks 21-10 and 21-19. This along with his second place in doubles with partner Jeff Rodgeron and a third place in doubles by Greg McGuire and Adam MacKinnon gave Three Oaks the senior boys title with 13 points, beating Bluefield by one point. Andrew Woodside of Bluefield defeated Ed Lush of Bluefield 21-17 and 21-17 to claim the senior boys bronze medal.

In girls action, Candice Hopkinson of Charlottetown Rural defeated Sam Sweet of Westisle 21-17 and 21-16 to win the senior girls provincial singles championship. The second place finish for Sweet along with Whitney Gallant finishing fourth helped Westisle to claim the team championship. Westisle dominated doubles play with Whitney and Jenna Gallant finishing first and Sam Sweet and Abbie-Anne Lidstone finishing second. Also the mixed doubles team of Brandon Boyce and Julia Phillips finishing third giving Westisle the title with 13 points. Hailey Pound from Rural defeated Whitney Gallant 21-18 and 21-14 to claim the bronze medal.

## **5. RECOMMENDATIONS FOR IMPROVING SPORT**

The Canada Games Sports Centre worked very well this year. The Friday night round robin in pools went very smoothly. The singles finals on Saturday was good but seating and being too crowded became an issue during the doubles in the afternoon. Using 6 of the 8 courts for the doubles would be a better idea. This way the two courts in front of the bleachers would not be used. They are very close to the spectators and it is hard to play with so many people so close to the courts. This would increase the seating for the doubles which draws more spectators and more players waiting to play. The draw would have to be changed and the afternoon would become a bit longer, but the teams would have more room to play without using the two courts that are next to the bleachers. Also, they are planning to have more bleachers so seating would be increased. All in all the new venue worked very well and the championships were a success.

### 4. GENERAL COMMENTS

I was unable to acquire a school in the Summerside area that would meet the requirements as The Host School for the 2009-2010 Provincial Wrestling Tournament. So, we held the tournament in the Canada Games Centre and the venue was exceptional. I would like to thank Draw Master Tim Murphy and his team, Yvonne Cummisky and Pamela MacEachern, for their efforts during our Provincial Tournament. Thanks to Chris Beauvais and the Canada Games Centre staff, Colin Banfield (Summerside Wrestling Club coach) and the Atlantic Police Academy for their assistance. Thanks to Timothy Chen for his help on the medical side of the sport. Thanks to the WPEI clubs for the lend of their mats. Thanks to Peter Gallant and SIS for the lend of their sound system. Thanks also to the Head Official, Johnathan Kemp, the referees and minor officials for their tireless work. Thanks to Milk Sport, Royal Bank of Canada, Comfort Inn, Rudi's Photography for their continued support of school sport. Thanks to Subway for providing the meals. I'd like to thank all the coaches for all their support in the sport.

The 2008-2009 tournament revealed, to the officials and I, a crucial need to improve on the weighing and pairing systems in the sport. Two items were addressed:

- the bridge between the weight of the athlete during the zone meet and the weight change of that same athlete at the provincial tournament.
- the stress of the pairing component of our officiating system the day of the event.

The goal is to have the athletes arrive to the provincial tournament prepared to wrestle and be aware of their weight class. An athlete who qualifies in one weight must compete at the Provincial Tournament in that same category.

My suggestion was to have all zone meets officiated by the same officials, who would weigh the athletes using the same scales. The weights of the champions would be sent to me where by I would forward on to the Pair Master to prepare the draw for the Provincial Tournament. This would allow the athletes to arrive, warm up and compete. This process will also allow the officials to tend to the event at hand.

The new process was a success based on the input given to me by the officials, my observations and the observations of other experts in the sport. We had little wait times during the tournament, which provided a higher level of engagement from the coaches, athletes and spectators. The pairing team were in top shape to keep up with the demands of the tournament, and not worn down from the intensity of a weigh-in process hours before the event. But, for the success of this system, timelines and deadlines must be respected.

## **5. RECOMMENDATIONS:**

1. Ensure WPEI continues to build a pool of officials for the draw and the mat.
2. Ensure WPEI has a head official at each zone meet and weigh the wrestlers and officiate the event.
3. The zone weight of each wrestler will continue to be the provincial weight of the athlete.
4. Establish an email account for the sport.
5. Attempt to hold the tournament in Charlottetown for the 2010 - 2011 season.
6. Hold a dual meet/camp prior to the zone meets to ensure tournament level experience for athletes, coaches and officials.
7. Approach WPEI to lend their mats, clocks and scales.
8. Prepare a manual for the sport.
9. Instill a sticker system to aid the officials in the draw and pairing component of the sport.
10. Include the 4<sup>th</sup> and 5<sup>th</sup> place finishers' names to be sent for the Provincial Tournament in the event of a scratch. The 4<sup>th</sup> and 5<sup>th</sup> names will only be considered for the athlete from that zone.

### 4. GENERAL COMMENTS

I took on this role mid way through the season, and although there needed to be work done on the standings, the leagues were up and running extremely well. Certainly a positive statement for the preparation work of the athletic directors, coaches, official's assigner, Darryl Boudreau and Executive Director Rick MacKinnon. The ability to get on the fields early this year allowed coaches more time to train their student athletes and the final matches of the year showed how well spent that extra time was. Games were extremely competitive, despite the atrocious weather, and the quality of the play reflective the positive work of the coaches. I would like to thank Darryl Boudreau the tremendous work he did assigning officials and Rick MacKinnon for all the work he did co-ordinating the Provincial Championships. The office is certainly in good hands!

### 5. RECOMMENDATIONS

1. A commissioner be appointed as soon as possible.
2. More thought needs to be put into finding a way to avoid seeding for the AAA and AA men's division. The short season and distances between schools makes it

very difficult to find committee members who have seen enough games to make comfortable decisions on team placing

### 4. GENERAL COMMENTS

Overall, the season ran very well. The weather cooperated, so we had very few games that had to be rescheduled. From what I've been told, those involved seem to like the east/west set up, which allows for lots of games but does not involve as much travel across the province.

I would like to thank Rick MacKinnon for all his help with the season. He has been very helpful, and available at any time, day or night. I would also like to thank Garth Turtle for his work with the provincial play downs. Thank you also to Joel Arsenault for helping with the provincial play downs. Thank you to Frank MacDonald, Wayne MacDonald, Dave McNeill, and Roger Gallant for their work in officiating. Finally, thank you to the City of Summerside for allowing us to hold our playoffs on their beautiful fields.

### 5. RECOMMENDATIONS FOR IMPROVING SPORT

Two issues came up this year that we should deal with in the future.

With the unbalanced schedule that we had in the east, we should also consider developing a tie-breaker (specifically for an unbalanced schedule).

Provincial Quarter-Finals format; with competition between the two divisions (East vs. West), there is the possibility that we could have three teams from one division and one team from the other division qualifying for the semi finals. We need to develop criteria to determine who plays who in this situation.

### 4. GENERAL COMMENTS

This year's midget softball leagues suffered from poor weather early and there was little improvement as the month progressed, even so, teams were able to complete their schedules on time, thanks to school athletic directors for a fine job of quickly rescheduling postponed games.. In most cases games were quit competitive, despite the limited time available to practice, improvement in playing skills was evident as the season drew to a conclusion. Thanks to all coaches for the work they did with the students and to Rick MacKinnon all the administrative help. Also thanks to the 4 umpire assigners for all the work they did in helping complete the season on time.

### 5. RECOMMENDATIONS

1. The format for the Championship should be changed to semifinals at 1:00 pm followed by the bronze medal game at 3:30 and the gold medal game at 5:30. This would allow parents to watch the Gold Medal game and still not create a need for diamonds with lights.
2. The PEISAA should pick one make of softball to be used in all games. At present there are 2 models that meet basic criteria but each is quit different and leads to problems for pitchers when both balls are in play.

3. The playoff and championship rules should include a 7 rule limit in all innings, this would prevent the early blowouts that occurred in this years Western zone playoffs and the semifinals in the boys division.

### 3. GENERAL COMMENTS

The following are the results from the PEISAA provincial track and field meet held for the first time at Alumni Canada Games Place at UPEI. A total of three new provincial records were set at the meet.

In Novice Boy's 400m, Melvin Sim-Turay from Prince Street School posted a time of 1.06.06 to better the previous mark of 1.08.0 set by Danny Hill of L M Montgomery in 2003.

In Senior Men's 400m, Spencer Smith of Morell Regional ran a time of 52.39 to lower Dave MacEachern's record of 53.0 sec set in 1986.

Fallon Gaudet of M.E.Callaghan jumped 10.29m in Bantam Girl's Triple Jump beating the old record of 9.97m set in 2007 by Tessa Stammberger of Kensington.

The schedule for the track events was changed to showcase the relay events in the middle of the day when more spectators would be present and to provide a longer recovery time for the 1500m and the 3000m. The 3000m was placed at the end of the day and the 1500m was at the start of the day.

**4. Recommendations:**

To allow Athletic Directors at the elementary, junior high and senior high levels to meet separately to decide if it would be beneficial at their level to run some events on the Friday night.

All zones will be required to use an online registration and run their meet using the Hy-Tek Meet Manager software so that the provincial meet can be managed effectively.

A decision should be made well in advance if the Thane A Campbell MVP Award and the Chelsea MacKenzie Award are to be presented at the Provincial Championship Meet.

### Provincial Report

It's a sport like no other! Yeah there's a team and all the fun that goes with it, but for the most part it's just the athlete against the weight. On Friday April 23 Souris High School hosted PEISAA Power Lifting Provincials with the strongest group of athletes ever assembled on the Island. In the small gym, the Souris Spartans call home, they were able to do what no other team in the history of high school power lifting could do. They toppled the three time, defending champions Westisle Wolverines. The atmosphere in the gym was emotionally charged: the crowd and lifters were on their feet and at times the yelling, the screaming – that is unique to this sport – was deafening. Lifters now do what was once thought impossible. The lift that one use to draw breath taking moments, now only lead to high expectations and records. Nathan Conway rose to an all time squat of 465 and drew silence and awe with a deadlift of 570. Kyler Burk, also from Souris, was the overall best lifter on the men's side with Westisle's grade 10 Justin Smith coming in third. The ladies lifted first during the competition and they didn't disappoint. Some of them actually were able to lift more weight than some of the male competitors. Natasha Nowak of Bluefield was first overall, with Kelsey Cheverie and Rebecca MacPhee from Souris taking 2<sup>nd</sup> and 3<sup>rd</sup>. It's becoming a special occasion, as lifters assemble, crowds go silent at the most intense moments and an Island tradition grows and is nourished to become something more. Stay tuned!

### 4. GENERAL COMMENTS

It was another great year and we continue to see improvements in the competitions, we are more efficient in the way we run the events, but with greater number of athletes competing we are looking at the possibility of a two day event for provincials depending on the number of athletes. The new scoring system is in place and with a little bit of time we will be able to announce the winners at the end of the meet. We will continue to count on the PEI Power Lifting to supply the officials and will be looking to train our coaches through the CPU to have them certified in case our regular officials are unable to attend. The judges were supplied by the CPU and the spotters by the commissioner. This allowed our coaches to do what they need to do.

We are looking for coaches and more schools to participate but, we need support for the coaches who are there now. We are looking to expand the sport to other high schools across the province and in order to do that we need the support of the schools. We are hoping the athletic directors will pass on information about the positive effects that are associated with having a good diet and following a weight training routine. We need some of the athletic directors to come out and speak to the coaches, athletes and parents and see and hear the positive effects this is having with the youth we are working with.

Midget Girls	Summerside Intermediate	John Turner

### 4. GENERAL COMMENTS

This was our first season for flag football and it was a successful one. Congratulations to Summerside Intermediate who captured both the boys and girls titles. The league was competitive all season and the level of play was quite high.

### 5. RECOMMENDATIONS FOR IMPROVING SPORT

Schedule - Have all teams sit down and put together the schedule before the season. It may be good to have one jamboree to start with all teams there and then go to a regular schedule during the weekdays.

Officials - Two officials for a playoff game. One is fine for regular season games.

Consider the possibility of boys playing 7 on 7 on a larger field if numbers warrant. There are some aspects to 7 on 7 that are improvements on the 5 on 5 game. The girls at this point should probably stay 5 on 5.
